<https://sid.kemendes.go.id/profile>

Kuarek Village, East Nusa Tenggara

Has achieved **97.14%** of SDG 5, by:

- Establishing gender-responsive village regulations
- Issuing paralegal decree to assist cases of violence against women and children
- Realizing the need for women-friendly and child-nurturing facilities
- Organizing awareness campaign on reproductive health for adolescents
- Organizing awareness campaign for communities at the village office and traditional halls, and houses of worship
- Creating thematic consultative forum: A platform for women to express their aspirations
- Cooperation between Village Government and religious leaders and customary institutions
